

Normandale Imagination Fair

Schedule and Guidelines

Schedule:

- 5:15-6:00 pm Set-Up of Display Board or Exhibits
 - No assigned tables except for those that need electricity
 - First-come, first serve basis
- 6:00-7:30 pm Students should plan to be with their projects most of this time
- 7:30 pm Clean-up any trash or recycle. Bring projects home

Helpful guidelines for the fair:

- Projects will be displayed on tabletops, thus size limit of 36 inches wide and 30 inches deep. They must be free-standing. A tri-fold display board is highly recommended for an easy set-up.
- Display space is limited. Expect to share a folding table with another project if needed.
- If your registered project requires electricity, you will be assigned to a designated table near an electrical outlet. Please bring an electrical extension cord.
- Projects with potential liquid spillage, please bring plastic liner for the table and paper towels for clean-up.
- Wear safety goggles when activity could lead to eye injury.
- Use of safe chemicals or sharp tools must be supervised and used with adult help.
- Students are in charge of setting up and removing their own display boards and accessories, as well as cleaning up any trash or recycling.

The project may not include any of the following:

1. Live small animals or pets
2. Microbial cultures or fungi, live or dead
3. Open or concealed flames, matches, or lighters
4. Human/animal parts or body fluids (blood, urine)
5. Poisonous chemicals, and highly combustible solids, fluids, or gases.
